NOTE:

Widening of a driveway requires a permit. Prior to submitting an application to the POA, the approved county permit should be submitted along with the POA permit. Extensions are permitted toward the side property line provided the extension does not exceed the 7 ½ feet side yard minimum setback limitation. Extensions are permitted toward the front door up to eight (8) feet maximum from the initial driveway installation. **Driveway modifications must be completed within 6 months of the date of permit.**

Deep Creek Section 23 is a Deed Restricted Community. Compliance with all restrictions is required. Refusal of plans, specifications, or location of buildings by the Property Owners Association Architectural Committee may be based on any grounds - including aesthetic grounds, which the Board may deem sufficient. The POA reserves the right (but has no obligation) to inspect as construction proceeds.
